What we use

We use only strictly necessary cookies and local storage, plus Stripe's fraud-prevention cookies on the payment step. Today we set no analytics and no marketing cookies. The cookie banner still lets you record your choice; if we ever add optional cookies, they stay off until you allow them, and we will ask you again.

Your choice

The banner offers "Reject all" and "Accept all" with equal weight, and granular settings. We store your choice with a timestamp and the policy version, and ask again after 12 months or when this policy changes. You can change your choice at any time with "Cookie settings" in the footer. The site works fully if you reject all optional cookies; there is no cookie wall.
